

Thank You Cartoonists!

To Christina, Holly and Sergio, thank you for all your hard work and dedication to reaching deadlines. I appreciate everything you guys have done for the newspaper! Getting things done, fixing any little details in each comic and not exploding on me when I asked for more. You have all made my experience as Visual Arts Editor easier and less hectic. You all made a great team this year and really came together to fill these comic pages with your artwork. I hope that next year the cartoonists will be as wonderful as you are. So once again, thank you from the bottom of my heart!

Sincerely,
Leeann Aguirre
